Installation of 12.5mm and  
25mm gypsum board.

## Product Advantages:

- Customizable dimensions upon request
- Easy to install
- No mechanisms that could wear out
- Perfect alignment with the ceiling
- Can be opened from any side
- Waterproof material
- No need for plastering

## Fully Customizable

Select any shape and size  
to match your exact specifications  
and seamlessly integrate with your  
design vision.

## Seamless Design

The frameless construction  
ensures the access panel  
integrates smoothly into the  
surrounding wall, offering a  
sleek, refined finish.

## Ideal for Any Space

Whether you are working on a  
luxury residential project or a  
commercial building, our  
access panels provide the  
perfect combination of form  
and function.
